January 25-27, noon to noon

A Retreat for Clergy of the Presbytery of Western New York

Building on last year's topic of leadership, this interactive and reflective time for pastors together will focus on **music worship leadership**. This wide-ranging topic will include time for creating, experiencing, and selecting music for personal meditation, worship, or "play," addressing the challenge of building and reaching our congregations.

How do Presbyterian Clergy meet this challenge? Topics will include Music as Spiritual Practice – Singing the Faith, Nuts and Bolts, Musical Experience as a Creative Response, and Multi-cultural Music and Worship Experience. Activities will include sharing and planning.

There will be ample time for rest and recreation, as well.

Retreat leadership includes: Dave Persons, Leslie Latham, Tom Sweet, Cindy Lind Hanson, Richard Schuler, Lowell Avery, Ed Hoerner, Rex Stewart, Janita Byars, Mary Lee Talbot, and others
