Dear Colleagues,

Enclosed are flyers for the upcoming – and very exciting – PCUSA gathering for everyone who works with college students. We are sending these to you with great hope that you will help us get them into the hands of the folks in your Synod who work with college students.

- On-Campus Chaplains
- Congregationally-based Campus Ministries
- Volunteers or Professional Campus Ministers
- Local Churches near campuses
- PCUSA-related College Chaplains

We would ask that you please take the time to share these flyers with those folks in a direct mailing. Or, if you have a good virtual network established, download the flyer at [www.pachem.org](http://www.pachem.org) and send it as an attachment.

Thank you for helping us to equip our congregations and campus ministries to fully care for the young adults for whom we are called to be present.

Peace,

Diana Malcom,  
Moderator, PACHEM
