“To connect and train neighbors to assist themselves, family, friends and neighbors and to support the work of the Board of Block Clubs and neighborhood associations and tenant groups in Erie County”.

To: Block Clubs and Faith-based Groups

From: Rich Lee  
Executive Director

Dear Friends,

We need YOUR help reaching out to children in YOUR neighborhood. We, the Block Clubs & Neighborhood Associations, partnered with the Learning Disabilities Association, are recruiting volunteers for a project in which we are screening children and implementing readiness-tailored activities in accordance with the Get Ready to Read Program. We need volunteers from YOUR neighborhood, block club, or faith-based organization to help us with screening and with maintaining relationships with families of three and four year old children. This is a great chance for YOU to help the young people of your community, and your community as a whole. Please capitalize on this opportunity and contact us at 716-851-5550 to begin helping the children of YOUR community now!

I **thank you** in advance for considering this request.

For more information or to participate, please contact Rich Lee at 851-5550 or 480-3341 or emails us back at [healthconnectorsbcna@gmail.com](mailto:healthconnectorsbcna@gmail.com)
