

Workshops will be offered at different times throughout the church.

Keynote speakers will be located in the Sanctuary between 7:00 and 8:00 p.m.

Remaining presenters will be in various locations throughout the church for your convenience to ask questions on how their specialty can improve your overall health and well-being!

Come and join us for any or all of these wonderful experts who volunteered their valuable time for us!

Bring a friend, co-worker or family member!
