

GET THE JUMP ON CHRISTMAS AND GIFT GIVING

It's not too early to start thinking about the holidays and the celebration of our Lord's birth. A large part of our celebration is the giving of gifts to those we love or care about or to those unknown who have great needs. Here at Wayside our Comfort Corner Kitchen provides "Comfort Food Cones." The addition of a few ingredients, a little cooking, and the recipient has a heartwarming meal or snack. These are great gift items for teachers, grandparents, aunts, uncles, students, or even yourself when you need a quick meal. We want to be sure we can fill everyone's order, so you can preorder your cones and pick them up on a Sunday morning starting November 15th (fill in the date below.) We will do our best to fill your order, but it is first come, first serve.
