Randolph Churches Worship In The Park

RANDOLPH — Parishioners from the East Randolph United Methodist and the Randolph United Presbyterian Church on Sunday morning traded their pews for lawn chairs and their sanctuaries for the great outdoors under an azure sky in their first joint Worship in the Park held in the Randolph Area Recreation Park on Widen Road.

Rev. Leslie Latham, Ran-

dolph, and Rev Abel Roy, East Randolph, conducted an ecumenical service that gave a final reverence to the areas exciting Fourth of July weekend.

Parishioners and clergy in area

churches were invited to visit and share a delicious picnic lunch following their church services. An estimated 100 attended the special service and picnic, which sponsors hope can become an annual event.
